Course overview

More than 30% of employed people in the UK are unhappy at work, the main reason for this being that employees are frustrated with poor management in the workplace.

All businesses need good leaders in order to be successful, and an effective team leader will make sure that their team is happy and motivated within the workplace. This course has everything you need in order to become a successful team leader and improve the morale within a workplace. So whether you are hoping to progress to a team leading role in the future, or want more knowledge about how to progress in a current position, this qualification is the perfect place for you to start.
