

Level 2 Certificate in **Principles of Working with Individuals with Learning Disabilities**

Key info

Type of qualification: QCF

Guided Learning Hours: 143

Credit Value: 17

Course overview

There are an estimated 1.5 million people living with a learning disability in the UK. The effects on individuals can vary widely and affect people of every age and background. Each individual with a learning disability is entitled to receive personalised and lifelong support provided by health and social care organisations and a network of carers.

This qualification will provide learners with a comprehensive understanding of issues surrounding different types of learning disabilities and how these affect individuals in their daily lives, including safeguarding, positive risk taking and an awareness of the autistic spectrum.
